MAX IMPACT

<http://www.usafband.af.mil/ensembles/BandEnsembleBio.asp?EnsembleID=61>

Max Impact is the premier rock band of the United States Air Force. The band's six members perform exciting classic and current rock and country hits, as well as patriotic favorites and original music.

Max Impact is one of the Air Force's most powerful, successful and highly-utilized strategic communication assets. At home or abroad, their high-energy performances assist in enhancing troop morale, building partnership capacities with local and foreign communities, increasing recruiting and retention efforts and inspiring patriotism using effective and powerful music.

Through tours, performances and recordings Max Impact reaches millions, showcasing Air Force excellence on some of the greatest stages in the world. They perform at high-level events for the White House, State Department, Department of Defense and numerous other high-level military and civilian functions, using music to advance international relationships and inspire positive and long-lasting impressions of the United States Air Force and the United States of America.

In addition to entertaining military and civilian audiences in the United States, Max Impact has thrilled troops with their trademark high-intensity, hard-rocking vivacity and amazing musical versatility at forward deployed locations, including Iraq and Afghanistan. These performances prove to be a well-needed "taste of home" for remotely stationed service members, bolstering troop morale and esprit de corps. Additionally, the band supports the Air Force and its local communities through creating innovative projects and performances, capitalizing on the latest in multimedia and technological advances in music production.

BEALE STREET PUPPETS

<http://www.bealestreetpuppets.com/#>

Beale Street Puppets have been delighting family audiences since 1988 with its musical marionette shows! Owner and Gracious Queen is Jill Kyle-Keith, who graduated with a Bachelor's Degree in Performance Theatre from the University of Maryland. Luckily for Jill, the theatre department at that time also taught puppetry, and she's been working as a professional puppeteer ever since. Who knew one college elective class in the history of 'Punch and Judy' would lead to 30 years of joyful employment? Stay in school, kids!

THE KINDERMAN

<http://www.kinderman.us/>

Kinderman was honored and recognized by the National Association for the Education of Young People (NAEYC) and the National Headstart Association for his work and approach in educating children. Kinderman's approach is brought to life by incorporating movement, dance, rhyme, song, adventure, learning games, and stunning visuals into an interactive experience.

WES HOLLY

A ONCE-MAN COMEDY VARIETY SHOW

With his “infectious enthusiasm,” Wes creates a high-energy show. Bouncing between songs, magic, joke-telling puppets and juggling, he encourages audience participation and laughter (lots of it!). As special treat, Wes climbs inside of a 6-foot balloon. Sometimes he even remembers how to get out! Wes is a joy for the entire family.

LINE DANCING COMPETITION

Throughout the month of April, various programs throughout Howard County Recreation & Parks’ Recreational Licensed Childcare and Community Services Division competed to be awarded the title of the Line Dance Competition Regional Winner. On May 17, three regions competed for the title of the “2013 Line Dance Competition Winner.” These teams practiced countless hours and are here to showcase their talent.
